DEDICATION

The 1967 REFLECTOR is dedicated to four men who, together, have contributed thirty-nine years of outstanding service to Mehlville Senior High School.

The first of these four is a man who has devoted much of his time and talents to our school in the past nine years. He graduated from Cleveland Senior High School and then entered Washington University, where he received his Bachelor of Science and Masters of Education.

Another of these four men has been a valuable part of Mehlville for over seven years. He is an alumni of this school and later received his Bachelor of Science and Masters of Education at the University of Florida.

Contributing thirteen years of continuous service to Mehlville, our third man came to us after receiving his Bachelor of Science and Masters of Education at St. Louis University. He was a graduate of Webster Groves Senior High School.

The fourth and final dedicatee has been at Mehlville for the past ten years. He attended high school in Elkland, Mo. and obtained his Bachelor of Science at Southwest Missouri State. He later received his Masters of Education from the University of Missouri.

Under their expert leadership in the past few years, Mehlville has evolved into one of the largest and most outstanding high schools in the St. Louis area.

With deep appreciation for their meritorious service, we proudly dedicate the 1967 REFLECTOR to the ADMINISTRATION of MEHLVILLE SENIOR HIGH SCHOOL—Mr. Alvin G. Bay, Mr. Arthur C. Voerg, Mr. Joseph P. Waddock, and Mr. Clifford E. Stratton.

The counselors are an important part of each student's high school career. They are willing to assist each individual with his problems, whatever they might be. Each underclassmen works with his counselor to determine his schedule, and the seniors depend on them for assistance in selecting the college they will attend or the professions they will pursue.

FACULTY

Mehlville had a great faculty this past year. These people devoted their time and effort to our education and to our future. In addition to their classroom work, many of these teachers sponsored various extra-curricular activities. The faculty helped to make Mehlville-1967 outstanding.

SENIOR SUPERLATIVES

The Senior Superlatives are senior students selected by various members of the faculty as young people who have exhibited outstanding school citizenship and ability during their years at Mehlville. These were not the only senior superlatives, for we feel there were many in the Class of '67, but these were the new selected for this year.

Mehlville's colorful Coach Estes inspired the most spirited and talented football team we have ever had. The Panthers had a winning combination, and the student body backed them up with their tremendous spirit and enthusiasm.

Never before had Mehlville taken nine buses of fans to an away game. Never before had Mehlville beated Maplewood, Affton or University City. Never before had the stands been so full for a Homecoming victory. Never before so GREAT!

The spirit and determination of the 1966-67 team shows that Mehlville *is* capable of a successful football season, and with the help of Mr. Estes and some spirited fans, our future teams will carry on the honored tradition of PANTHERISM.

WRESTLING TEAM

Wrestling can be easily called the most demanding High School sport available. Not only does it have the physical demands of a contact sport, but also the constant physical and mental stresses of having to wrestle "your heart out" on an empty stomach.

These are the demands required of and given by Mehlville's wrestlers. Because of this and because Coach Edwards has done such an outstanding job of bringing out the best in his wrestlers, Mehlville still has one of the best wrestling teams in Missouri and therefore can be very proud of its powerful matmen.

The Varsity Club, as well as trying to promote sportsmanship, has been very active this year in improving school spirit at the athletic events (can they yell!!). It is a club, sponsored by Mr. Hanners, made up of those boys who have earned a varsity letter in one of the many sports at Mehlville. These fellows raise money by selling refreshments at the home football games and co-sponsor the "School Spirit Dance." New members are initiated in the fall and the awards are presented at the spring banquet.

CHEE

A casual G.A.A. meeting

Sportsmanship, or rather, sports*girl*ship is a basic characteristic of the G.A.A. This well-coordinated team is comprised of girls who have earned points by participating in intramurals, girls sports, and various activities sponsored by the organization. Car washes, bake sales, and refreshments at home games are some of the activities by which the girls can score high. The supreme goal of the members is receiving an emblem, letter or trophy as evidence of their service.

Too often it is forgotten that the boys are not the only people who participate in high school athletics. The girls have three varsity teams here at Mehlville - basketball, hockey, and volleyball. The three teams, under the leadership of Miss Stock, Mrs. Hayes, and Mrs. Estes, finished their respective seasons with a good percentage of victories. The girls worked well together and enjoyed the experience.

BONFIRE

The old north wind could not extinguish the crowd's flaming enthusiasm at the annual bonfire, October 14, as the cheerleaders and band lead the crowd in loud and spirted cheering. After the twirlers performed an exciting routine with flaming batons, the 1966 Homecoming Candidates were presented, the Football team was introduced and the Pep Club put on a short skit. The bonfire was a great success and filled an important spot in a victorious Homecoming week-end.

The Student Council officers prepare to light the blaze.

VARIETY SHOW

These two cuties Zelda and Agnes, couldn't help but compare the modern times with the "good old days" — The Roaring 20's

This's years Student Council Variety Show was bigger and better than ever!! The director and sponsors were great, the acts were fantastic and the audience couldn't have been more responsive. "We Died Laughing" had a Roaring Twenties theme which was cleverly connected with present times. It was a highlight of the year for all those who participated and attended. It will be a hard show to top!

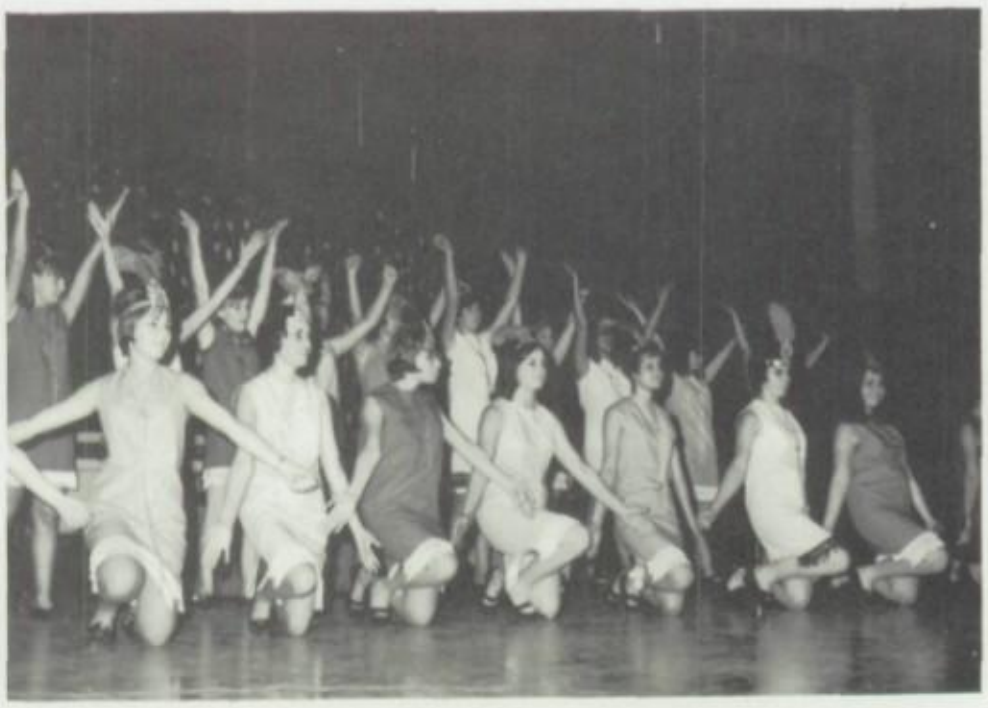
O-O-O-O-O I Love Onions. FUNNY!! GREAT!!



The singing chorus, a big group full of talent, finishes one of their numbers.

Many of the girls in the dancing chorus also performed individual routines.

The Devastators provided the music for the GO-GO-Girls and some of the singers.

Al Jolson, alias Bill Pogue, gave a memorable performance.

"ALL MY SONS"

The all school play this year was Arthur Miller's tragedy, *All My Sons*. Directed by Mrs. Virginia Worthington and Miss Mary Lauber, the play was successfully produced on November Third and fourth. All who participated should be commended for a job well done. It was a highlight for everyone who attended the production.

I've heard so much about you!!!

FACULTY-VARSITY GAME 1967

The Student Council successfully sponsored the annual Faculty-Varsity game on November twenty-ninth. The "double-header" was started off with the Letterman battling the Faculty's B team and finished with a 58-73 Varsity victory over the Faculty's first string. It was a "fun" evening for all those who attended.

COUNCIL

To raise money, the Student Council sells pretzels each day after school.

The newly formed Advisory Council holds their weekly meeting.

The Student Council runs a small store during the noon hour where they sell school supplies.

Student Council is probably the most important organization at Mehlville. It is made up of representatives of the entire student body who have been elected by their respective class, and its purpose is to give the students a voice in the government of student affairs.

This year the Council started a new organization, the Advisory Council, which helps the administration deal with some of the discipline problems.

In order to raise money the Student Council had a car wash, sponsored the Faculty-Varsity game, and sponsored the Carnival which they initiated last year. As in the past the Council also sponsored the Kick-off dance and the Homecoming Bonfire.

We thank the Student for another good year of work.

STUDENT PRINTS

Mr. Slade looks over some of the copy prepared by the class.

Other members of the journalism class do the typing and rewriting and art work.

The sixth hour class prepares the copy for the next month's "Student Prints."

This year publication of the "Student Prints" was taken over by the newly formed journalism class. Distinct improvement was shown in articles, support of the paper, and enthusiasm behind each publication. "Accuracy" is the first and last consideration of each reporter. Under the direction of Mr. Slade and the three editors, Kay Laws, Terry Liberman, and Chris Foerstel, the "Student Prints" has assumed an important role at Mehlville.

SNAPS

Mehlville Senior High School

3200 LEMAY FERRY ROAD
ST. LOUIS, MISSOURI, 63125

Dear Reader:

Here is our effort to recapture Mehlville in 1966-67; and we hope as you glance through the pages, you will recall some of the highlights of this past school year. Working on this REFLECTOR has been a memorable experience, full of fun, learning, and responsibility; and we are grateful for the opportunity to compose it for you.

We could not have done this alone, and wè wish to express our special thanks to Mr. Raymond Karcher, Faculty Advisor; Mr. Harry Swain, American Yearbook Representative; Mr. John Glassen, Becktold Binders; and Mr. Albert Bohm, Rembrandt Studios. Yet, without the staff it would have been impossible to produce a yearbook; and we wish to thank everyone who assisted in our effort.

We would also like to thank the administration and faculty for their help and co-operation during the past year.

Here is the 1967 REFLECTOR, and we hope it meets with your approval.

Sincerely,

Margaret Dillon
